PART INFO:

DESCRIPTION

IS ANY "PART" OF THIS PART OFF LIMITS FOR DESIGN BASED ON PLACEMENT ON BIKE? IF "YES," PLEASE MARK AREA WITH TAPE OR GREASE PENCIL. IF IT'S A WINDSHILD, BE SURE TO CHECK YOUR LINE OF VISION. IF IT'S NOT OBVIOUS, PLEASE LABEL PART WITH "FORWARD" AND "UP" ARROWS SO THAT THE DESIGN COORDINATES WITH THE FLOW OF THE BIKE.

DESIGN INFO:

IF YOU HAVE SPECIFIC LIKES/DISLIKES, NOW'S THE TIME TO SPELL 'EM OUT. WANT A DRAGON? COOL. DO YOU CARE IF IT'S AN ASIAN-STYLE OR EUROPEAN DRAGON? IF YOU HAVE PICTURES, SKETCHES, ETC. OF WHAT YOU WANT, SEND 'EM ALONG. GOT A SHOT OF YOUR BIKE? HELL, SEND THAT, TOO. "GOOGLE IMAGES" IS A GREAT ONLINE REFERENCE FOR PICTURES. FEEL FREE TO MAKE NOTES, LIKE: "I LIKE THIS SKULL BUT NOT THE FLAMES..." WE'LL INCORPORATE YOUR IDEAS FOR A TRULY CUSTOM, ARTISTIC PIECE.

DISCLAIMER: Custom etching is done by a real human artist, not a computer. Variations in shade, cuts and design are a part of the BAD ASS territory and add to the authenticity and artistry of the piece. When you decide to do business with us, you're waiving your rights to be a dick about above-mentioned variations.
